The village of Mortain stands out on its hillside at the heart of the green Bocage Normand area. It also stands at the crossroads of La Véloscénie and Le Tour de Manche cycle routes. This stage of La Véloscénie is almost entirely on greenways, except for the unavoidable link to Mortain.

Itinerary

A stage where you're almost entirely on greenways.

Work in progress

Be careful, a portion of the greenway is currently closed near Mortain. We invite you to take the following deviation: [see on the map](#).

Links

A 3km-link joins Barenton to the greenway. Further along the greenway, there's an incline up a road to join Mortain itself.
