

St-Arnoult / Rambouillet

Veloscenic : Paris to Mont-Saint-Michel cycle route

The first part of this stage is not signposted (see route in red colour). However, the route is very pleasant, taking you along quiet roads as soon as you leave Saint-Arnoult. You quickly plunge into the magnificent Rambouillet Forest, criss-crossed by cycle tracks. Make the most of detours to the Villeneuve mill in Saint-Arnoult, much loved by the poet Aragon, and, on a different note, visit the Rambouillet's animal park.

The route

This 14km-long stage takes you on rural and cycling paths in Rambouillet forest, and some shared routes in the agglomeration.

No dangerous passages but sometimes undeveloped roads, which can be muddy at times. A little hilly.
